

GROWING TALENT

WHAT DOES MADDIE THINK?

What are your thoughts on the process?

01

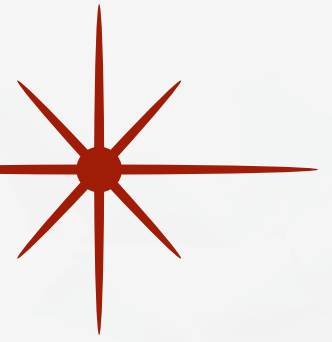

“The Growing Talent process has been super helpful and enjoyable. I haven’t felt judged or looked down on throughout this whole process; instead I’ve felt uplifted and supported every step of the way”

‘I’ve not felt judged’

How does it differ from anything you've experienced before?

02

“The sessions at University didn't have the encouragement that Growing Talent has.

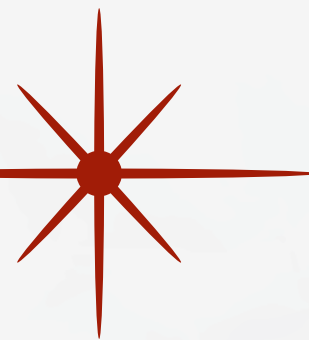

It felt more like conversations than lessons with made it less intimidating”

‘Less intimidating’

What do you think of the accompanying workbooks?

03

“As someone with Dyslexia, the workbooks were easy to read and follow whilst engaging.

The topics covered were interesting and relevant to my everyday life.

I received good advice that I will be following when I start my job”

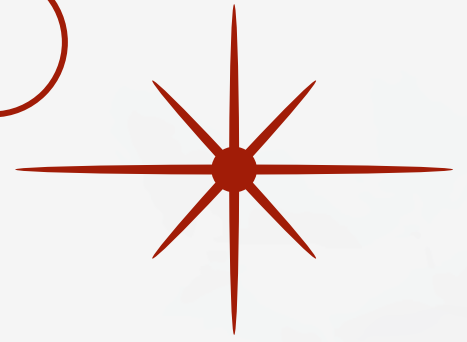

“engaging & easy to follow”

What key things have you learnt?

04

“How to successfully change the way I approach conflict and disagreements in my life.

Good techniques to regulate my mental well-being. I now have the tools to recognise when I am overwhelmed and stop the spiral.

Some good money saving tips too”

“tools to recognise and deal with pressures”

Was it worth doing the Orientation & Holistic Week before starting your job?

05

“100% – it took away the uncertainty of starting a new role in a new industry.

It’s eased a lot of anxiety I had.

It covers all the bases of knowledge you’d need to thrive in a work environment.”

100% worth doing

Any other comment you'd like to make?

07

"The entire process has not only been incredibly helpful, but fun and engaging. I've met people and learnt things I wouldn't have.

I can tell a lot of thought and effort has gone into the curation and delivery of the course. A massive thank you to Jane and everyone else at Growing Talent"

**'A massive
Thank You!'**
